REMARKS

50X1-HUM

1. Between 9 a.m. and 11 a.m. on 14 August 1953, a column of about 100 motor vehicles, including about 20 tank trucks; and about 20 mortars and AT guns each was seen in Lillrode south of Lossa.

50X1-HUM

2. on 14 August, about 50 tanks passed through Lillrode, proceeding to an undetermined destination.
3. On 9 August, motor vehicles were seen en route to and from the training area.

50X1-HUM

Comment. The number of heavy infantry weapons and tanks observed tend to indicate that an exercise, which involved more than a regiment, was held. Most of the motor vehicle presumably belong to the 21st Gds Mecz Div, which was last confirmed in Lossa
